

Support By Your Side

Acadia Connect® is a patient and family support program that connects healthcare providers (HCPs), office staff, and caregivers with dedicated services throughout the treatment journey before and after patients have been prescribed DAYBUE® or DAYBUE® STIX.

Jill and Joe,
Family Support Educators

Our team is
committed to
providing HCPs, office
staff, and caregivers
with educational tools and
resources every step of the way.

Samantha,
Family Support
Educator

Coverage and access support

Supports HCPs by providing education on access and coverage, conducting benefits investigations, and assisting with prior authorizations, appeals, and reauthorizations

Helps caregivers by answering questions about insurance coverage

Financial assistance

Guides HCPs and caregivers to potential financial assistance options for eligible patients

Prescription delivery

Coordinates prescription delivery to caregivers and patients through AnovoRx Specialty Pharmacy

Ongoing support and education

Provides tools and resources throughout the treatment journey
